

## North Wilkesboro Presbyterian Church - Pastor Nominating Committee (PNC) Update

Our PNC continues to meet one to two times per week. We have received several self referrals and over 80 total referrals at the PCUSA Church Leadership Connection web site.

We have identified questions to help us learn about prospective candidates, are actively interviewing candidates and we are discussing those interviews. We have asked for more information from interviewed candidates which we will review and determine future interviews, face to face meetings and other continued discussion.

We continue to review new Pastor Information Forms (PIF's) as they are forwarded to us.

The NWPC Pastor job description has been approved by Session and is now posted at this site.

Please continue to remember our work in your prayers and if you have questions please ask anyone on our PNC or email us at [pnc@nwpres.org](mailto:pnc@nwpres.org).
